frieling
fresh solutions®

fresh solutions™

You don't need just another product – you need a solution to a problem – a fresh solution! Finding **fresh solutions™** for you has been our mission for 28 years. The Frieling team is passionate about answering this need with innovative coffee/tea accessories, elegant dinnerware, cookware, small electrics, bakeware, serveware, tabletop, and so much more.

a world of value – brands of distinction

Frieling synergistically integrates brands of distinction from around the world into one convenient one stop shop for you. This is made possible through long-standing relationships with some of Europe's best manufacturers, coupled with our own design capabilities.

get the frieling feeling™

At the end of the day, however, it's not even about a solution to a problem, it's about people. It's about you. That is what the proverbial frieling feeling™ is all about.

Thank you for your support.

Embrace the art of flawless presentation with Seltmann Weiden porcelain, with its superior design and beautiful array of styles that spark the culinary imagination.

For over 100 years, Seltmann Weiden has been focusing on excellence in high performance tableware.

THE SELTMANN WEIDEN PROMISE:

Superior quality that exceeds expectations

- **Unsurpassed durability, yet 10-15% lighter** than the competition.
- **Extremely hard glaze** ranks higher on the Mohs hardness scale than bone china and other ceramics.
- Designed for maximum heat retention, with a thicker center to **keep food warm longer**.

Uncompromising standard of excellence

- **Totally leveled wells** for exceptional food presentation.
- Polished feet prevent Plates from wobbling or spinning.
- **Fully vitrified**, so it will not absorb liquids or germs.
- **Lead and cadmium free**. Meets the strict regulations of California (Proposition 65).

A wise investment

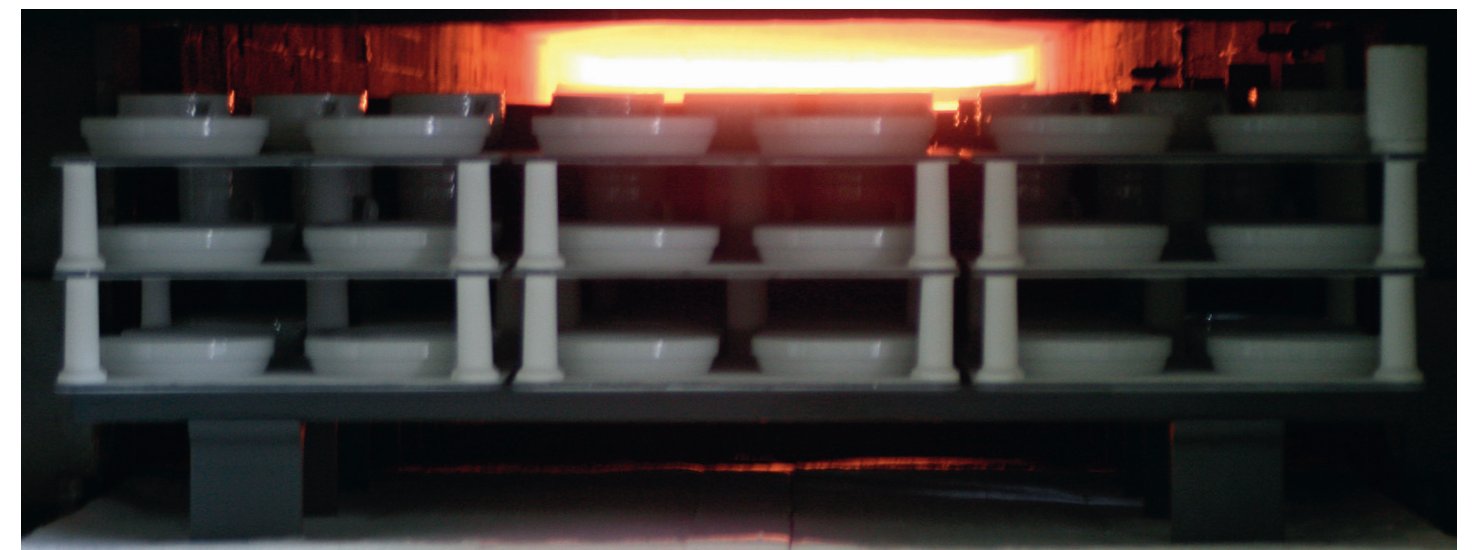

- **Significantly lower replacement rate for a lower total cost of ownership**.
- Thick rolled edges mean less breakage and chipping for a better ROI.
- **Smooth, polished feet** prevent scratching when stacking, and marring of wood or glass tables. Will not abrade metal from metal tables or shelves.
- **Durable glaze prevents unsightly scratch marks** from knives or flatware.

Consistent designs and dimensions for seamless replenishment year after year

- **Made in Germany** by Seltmann Weiden, a leader in porcelain tableware since 1910.
- Dedication and focus on the art, science and craftsmanship of porcelain.

The Seltmann Recipe

- Our porcelain is composed of kaolin (50%), quartz (25%) and feldspar (25%).
- It is fired twice using eco-friendly natural gas, first at a temperature of 1,850° F, and second at 2,650° F. This gives Seltmann Porcelain its **extreme hardness and durability**.
- Exquisite designs with **consistent body color** throughout.

Our policy is one of continuous improvement and we reserve the right to change specifications without notice.

ECO-FRIENDLY
COMMITMENT

Frieling is ever conscious of the impact humans have on the environment and is committed to minimizing its imprint.

We reuse shipping materials to the extent possible, we are paper free as is practical, and we constantly challenge ourselves to reduce, recycle, and reuse even more.

Our packing materials are made of 100% recycled material; our shipping boxes are composed of up to 65% recycled cardboard. Both are 100% recyclable.
