Nick Holland

Designer

Where Nature's Allure meets Textured Craftsmanship and Elegance Nature and design converge to form a cosmic dance on timeless white porcelain with Ariane's Fabric Collection. Skillfully created by award-winning tableware designer Nick Holland, known for his timeless and classic designs.

With Nick's expert creativity and adding the perfect porcelain white glaze, the four collections, Mineral, Tactile, Crackle and Linear, bring together intricate patterns and timeless beauty. His global perspective, shaped by experience in designing for the USA, Europe, and Asia, combined with Ariane's craft and quality porcelain ranges, redefines elegance through nature's pure forms and patterns.

The tableware collections come together to create a sense of timeless luxury, making it an ideal choice for the hospitality industry. With its intricately woven textures and the purity of white porcelain adding a touch of brilliance, Ariane's Fabric Collection is perfectly suited for both casual dining and elegant banqueting.

Technical Performance

Design Engineered to Last

Our tableware is materially and design engineered to last in a professional setting, from our unique clay recipe and controlled kiln environment to durable shape design and long-lasting finishes.

Raw Materials

Our raw materials are responsibly sourced and carefully selected to create a strong, long-lasting product.

Engineered Shapes

Built for the demands of professional kitchens, Ariane products offer extra strength where it matters and lighter handling where it counts.

Vitrification

Vitrification is essential for professional tableware, it's the process of altering the particle structure of our ceramics to create a dense and watertight body, thereby creating a stronger and more food safe ceramic product.

CRACKLE

A Symphony of Frozen Beauty & Elegance.

Inspired by the ice-like patterns etched onto frozen lakes, Crackle is where nature's delicate artistry meets Ariane's fine craft, from the Fabric Collection.

Crackle tableware features elegant and beautifully proportioned designs that captivate our attention, making them an ideal choice for both formal and semi-formal banquet dinners.

Artistic pieces with a brilliant white glaze, Crackle belongs to the sweet spot between the art of nature and contemporary design.

Charm your guests with these patterns that remind us of nature's timeless wonder and a touch of winter's delicate sophistication. Designed to suit the needs of modern chefs and the hospitality industry, Crackle is here to charm your guests.

MINERAL

Carrying the spirits & souls of the Earth & the Seas.

A unique amalgamation of bold and raw beauty, the attraction of Ariane's Mineral Collection lies in its natural random and distinctive patterns and designs.

Artfully capturing the essence of the Earth, while keeping its delicate designs, immaculate detailing and craftsmanship for every single piece, the Mineral collection will captivate the modern diner. Inspired by nature's imperfect perfections and referencing the beauty of weathered stones and rocks on the sea shore, these plates, bowls and sets are a celebration of the earth, the sea, and natural wonders.

The raw natural beauty of porous stones and coral reef structures are the inspiration for the patterns of this culinary extravaganza, making it an ethereal choice for both casual dining and banqueting.

INGENIOUS TECHNOLOGY

Behind the subtle designs and durability lays a robust technology that combines premium raw materials like kaolin, quartz and feldspar and optimizes the usage of these raw materials to extract their best properties. The combination of modern state-of-the-art manufacturing facilities, and up-to-date German machineries, produces exceptionally durable porcelain dinnerware items, maintaining a value for money proposition.

INTERNATIONAL DISTRIBUTION

Accessibility is the key to a great brand. We live up to this expectation by deploying an easy reach distribution strategy that comprises strategic tie-ups with leading hotel suppliers and industry players from all over the world. You'd find us in all leading hospitality procurement hubs.

DESIGN AND FUNCTIONALITY

Service with a personal touch plays an integral part in the world of hospitality. We offer the possibility for personalization according to all our clients' company identities and special requirements. The result is modern designs combined with individualism. Ariane Fine Porcelain offers a flexible approach to customized decorations and production lines with personalized décor, shapes, patterns, décor variations and custom-made logos to its customers in order to meet all their diverse requirements.

COMPETENT SERVICES

At Ariane Fine Porcelain an effective and clear distribution & replacement structure has been put in place to give an effective delivery and after-sales service.

CERTIFICATIONS

Ariane Fine Porcelain successfully meets stringent global quality standards such as physical tests certification from SFC France and quality tests (dishwasher safe, edge-chip resistant, microwave & oven safe, steel/metal marking test) certifications by LUCIDEON, UK for our superior quality porcelain tableware that live up to world-class international standards.

Ariane Fine Porcelain has certified the ISO 9001:2015 for quality management and SA-8000:2008 for social accountability by TUV, Germany.

Ariane Fine Porcelain products have approved with the Vegetarian Society of UK for being 100% vegetarian. Every article of table ware contains no bone ash. Ariane Fine Porcelain thereby provides an absolutely hygienic vegetarian solution to markets that are exclusively vegetarian. It has also certified by Halal Committee, Mumbai, India.

The contents of this catalogue may be changed or cancelled at the discretion of the ARIANE management without prior notice.

In the printing of this brochure, every effort has been made to ensure perfect reproduction of product colours, but due to printing limitations, they may not be an exact match to the actual product.

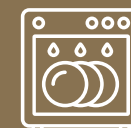

QUALITY WITHOUT COMPROMISE

Hospitality is a demanding industry that has specific, ever-evolving needs. The unique blend and amalgamation of raw materials, breakthrough technology and a quality assurance team, guarantees that all Ariane Fine Porcelain items are kept in line with these requirements.

5-Year Edge Chip Warranty

The Edge Chip Warranty guarantees that the edges of specified items will resist chipping under normal, professional use. If chipping does occur during proper handling, we may offer a product replacement as per the warranty terms.

DISHWASHER SAFE

Our porcelain is fired at high temperatures which making it highly resistant to repeated dish washing cycles at high temperature.

MICROWAVE & SALAMANDER SAFE

Ariane Porcelain products are both microwave and salamander safe due to their heat resistant layer of glaze. (Other than products with all kind of decorations including with precious metals like Gold, Platinum etc).

SMOOTH APPEARANCE

The special glaze fired at high temperatures not only gives all our porcelain a smooth, clean finish, but also ensures that it becomes completely non-porous, guaranteeing higher levels of hygiene.

ABRASION PROOF

The special glazing fired under high temperature ensures strong resistance to scratches or abrasions.

LIMITED DANGER IN CASE OF BREAKAGE

The products are designed to avoid breakage hazards, as they break cleanly into safely manageable pieces.

THERMAL SHOCK PROOF

Ariane Fine Porcelain not only retains heat to keep the food warm, but also is resistant to variations in temperature.

PERFECT FUNCTIONALITY

All our designs focus on absolute functionality. Most items are stackable including cups, bowls and platters, which enables the most efficient use of space.

HIGH CHIP RESISTANCE

The special high alumina material used by Ariane Fine Porcelain offers strength, durability and resistance against chipping to critical points like edges of cups, plates and handles.

ARIANE ANTI-MICROBIAL TECHNOLOGY

Ariane Fine Porcelain brings to you the first commercial porcelain tableware that incorporates "Anti-Microbial Technology" and also manages to meet the demands of high-volume food-service operations from fast-casual eateries with counter service to fine-dining restaurants.
