Design Collection | Maipo

When we introduced Aristo in 2003, its angled shape quickly became a best-seller around the world, which it still is today. With Maipo we created a new design that is believed to be the next generation. It has an even higher angled bowl and a slim 6 mm stem for an extra touch of both modern and luxury design.

Finesse | Experts' collection

The Expert's Collection is a range of products especially designed to offer the ultimate wine drinking experience by enhancing the flavor and aromas of different grape varieties. With carafe Femme, the wine interacts with oxygen in a controlled manner to keep the wine's aromas compact and fresh. Carafe Homme allows powerful, spicy and complex wines to interact optimally with oxygen to release all aromas, which enhances the flavor. The complementary Roc stone base fits both carafes and it will keep the wine either cool or warm.

Finesse | Experts' collection

The Expert's Collection consists of 5 individual wine glasses, each of which was designed to enhance the taste experience of a specific type of wine. The characteristic glass designs were made in co-operation with Barbara Verbeek, a renowned Dutch vinologist. The smoothly tapered design with laser-cut rim intensifies the taste of the wine, is pleasant to the eye and it just ensures the ultimate drinking comfort.

Must Haves | Starla

In line with the still lasting vintage trend, designs from the past are the newest kid on the block. The same goes for our Starla design, which design originates back all the way to 1927, but is surprisingly new and refined these days. Also the smaller capacities from the past are a perfect match for the health conscious millennial of today, who indicates to prefer smaller capacity glassware to limit daily intake.
